As we begin the New Year, we want to again "thank you" for your past support. Through generous donations and sponsorship we are moving forward with our much needed "Trail" systems and exhibits.

As we move ahead, additional funding is needed to continue supporting our various education programs. To accomplish this we will continue with our past successful fundraising efforts. You have been an integral part of these past events, and we look forward to your continued support for 2012.

We have three events scheduled this year that we would like to invite you to be a part of. They include:

1. Popsicle Plunge, March 3, 2012
2. Spring Festival - TBA
3. Fall Festival - TBA

To outline how you may continue your support, we are suggesting the following. All levels of support are welcome!

- A. Platinum or Corporate Level - \$1,500 or more
- B. Gold Level - \$1,000
- C. Silver Level - \$750
- D. Bronze Level - \$500

Sincerely,

Tom Lehner, Council President

## THANKS TO LAST YEAR'S SPONSORS!
